

Resolution

BE A GLOBAL MISSION CHURCH

Whereas, the Annual Gathering committed to "*Being a Global Mission Conference*" at their regularly called meeting June 12, 2010 it's requested by the Global Ministries Committee that this Annual Gathering encourage each Congregation in the Conference to become a Global Mission Church. This Annual Gathering encourages each congregation to pray for discernment in how God would have us engage in God's mission beyond our national boundaries in covenantal partnership with Global Ministries. Here is a summary of the STEPS that we invite each congregation to follow to "Be a Global Mission Church:"

- ❖ **Gather...** a team to coordinate the Be a Global Mission Church process
- ❖ **Learn...** about Disciples and UCC global mission understandings and commitments
- ❖ **Evaluate...** your past and current global mission involvement
- ❖ **Create...** your new action plan for engaging in God's global mission
- ❖ **Commit...** to carrying out your plan in covenant with Global Ministries

We will maintain communication with Global Ministries & our Global Ministries Committee as we live out our commitment to *Be a Global Mission Conference*.

Be It resolved, that the Southern California Nevada Conference United Church of Christ Annual Gathering (meeting on June 2-4, 2011) will encourage each Congregation to "*Be a Global Mission Church*," and

Be It further resolved, that this resolution be referred to the Global Ministries Committee for implementation and follow-up.
